

The entrance examination

1) Movement test

Under the guidance we will share with you some exercises perform. It involves both the physical activity opportunities the skill and orientation in space. On the other hand to the expression. It is easy exercises that do not require prior knowledge of eurythmy. Please bring eurythmy shoes (gym shoes).

Who knows eurythmy already, of course, must like a prepared text or possibly represent music!

2) Language

You are asked to recite two self-selected poems. If possible, a "classic" and a modern example. We are interested in how you deal with the language, for example, as is articulated and what you get out of a text as you make it.

3) Music test

Clap simple rhythms, perception of a melody and harmonic changes. Musical knowledge is not essential, but desirable. However, the note reading should be done well prior to study entry.

Once you master a musical instrument, we would be delighted if you play for us something.

4) Admission interview

We like to know something about you personally , your career, Your recent training and of course about your motivation for Eurythmy .

The entrance examination takes place in the presence of eurythmy school Eurythmy for art, and, if possible, a Waldorf – Eurythmy teacher.
